"Enmity" means hostility, being an enemy. Why would being a "friend" of this worl be so horrible and make you an enemy of God? It is because "The WORLD" in this context refers to the whole system of thinking among the UNSAVED people of the world, who are under Satan's control. Satan is called "the god of this world" and the "prince" or "ruler" OF THIS WORLD. Satan is also called the "prince of the power of the air" - one of the many names for Satan in the Bible. We were motivated and energized by Satan when we were "children of disobedience", before we were saved. All unsaved people belong to Satan and are under his control in his "world system".
