most, if not all, of our destructive habits and modes of behavior had their SEEDS planted in o	ur
youth. For instance, fear of rejection and peer pressure in adolescence, or lack of love and	
approval from parents in our childhood, may have caused us to search for answers and "look for lo	ove
in all the wrong places." Experimenting with sexuality in childhood or adolescence may bring	
problems later in adulthood, as it may then erupt as a pornography addiction or dissatisfaction with	а
marriage, and seeking sexual relationships outside of marriage.

Definitions (I LICTO)	
Definition: "LUSTS" — Lusts means issues, probably originating in childhood, that are	
controlling your life. A lust is the need to have something "under your control," and yet that need	
seems to never be satisfied . We tend to think of "lusts" as sexual desires, or possibly as ALL	,
fleshly, bodily desires, but the word can mean ANY DRIVING FORCE in your life. "Youthful lusts"	
would then be driving forces or hungers caused by circumstances that influenced you in your	
childhood or adolescence. These could be any number of things: lust for food, because food	_
represents comfort or happy memories from your childhood (or you didn't get enough food); lust for	
position, power or wealth (hoarding material possessions) because you never had these things, or	
your parents influenced you TO WANT these things in childhood. Lust for LOVE and AFFECTION	
can interfere with your ability to form real friendships or have a good marriage, as you CLING to the	
other person with a death grip (co-dependency), because you did not get enough love, affection or	
attention as a child. Lust for success, because you did not get the recognition you wanted or	
needed growing up; or lust for recognition and popularity, because you did not fit in, or were an	.,
"outcast" in your childhood. The list could go on and on, but the main thing to be aware of is HOV	
and WHEN these desires were forged in your life, and to recognize that they are deceptive and fals	;e
desires. Ephesians 4:22 calls them "deceitful lusts." They are DECEITFUL because we	
THINK indulging them will make us happy, but in reality it DOESN'T. These desires and lusts	مالم
belong to the "old man" - who you were before you were BORN AGAIN and BORN ANEW into Good	צג
family. "But pursue righteousness, faith, love, peace" - it is NOW time to follow after and	
PURSUE the family traits and characteristics of your NEW FAMILY, the FAMILY of GOD!	
•Ephesians 4:22-24 "That you, concerning your conduct, the old man, which grows corrupt according to its	-
and he	'
and be in the spirit of your; and that you put on the arcording to God, in ar	hd
true holiness."	iu
•Colossians 3:10 "And have the who is renewed in knowledge according to the of who	
him."	
23-26 But avoid foolish and ignorant disputes, knowing that they generate strife. And a servar	nt
of the Lord must not quarrel, but be gentle to all, able to teach, patient, in HUMILITY	
CORRECTING those who OPPOSE THEMSELVES, if God perhaps will grant them	
repentance, so that they may know the truth, and that they may come to their senses and	1
escape the snare of the DEVIL, having been taken CAPTIVE by him to do his will.
