

QUESTION: Why should I get saved?

ANSWER: Christians will say you should get saved because the Bible says it is necessary to be "saved" in order to go to heaven when you die. You may say, "But I don't believe the Bible, so why should that make a difference to me?" You may say, "I believe we will all go to heaven if we live a good life, or do the best we can" or "I don't believe in any life after death - this life is all there is!" **If you are RIGHT** in your beliefs, and the Christians are wrong, then you have nothing to lose, and the Christian has nothing to lose, because the Christian will have lived a good life and will either go to heaven or not, depending on whether you believe there is a heaven. However, **if the Christians who believe the Bible are right and YOU are WRONG, you have everything to lose**, and you will end up in hell! Maybe you should examine the teachings of the Bible, so that you do not make a fatal and eternally wrong choice!
